MEMORANDUM

TO: Docket Control

FROM: Steve Olea
Assistant Director
Utilities Division

DATE: July 28, 2009

RE: ARIZONA WATER COMPANY AND GLOBAL WATER RESOURCES, LLC, CONSOLIDATED DOCKET FOR EXTENSIONS OF CERTIFICATES OF CONVENIENCE AND NECESSITY AND TRANSFER OF ASSETS (DOCKET NOS. W-01445A-06-0199, SW-03575A-05-0926, W-03576A-05-0926, SW-03575A-07-0300, W-03576A-07-0300, W-01445A-06-0200, SW-20445A-06-0200, W-20446A-06-0200, W-03576A-06-0200, SW-03575A-06-0200, WS-01775A-07-0485, SW-03575A-07-0485, W-02442A-07-0485, W-03576A-07-0485)

On June 30, 2009, Global Utilities filed a Late-Filed Exhibit, containing an additional updated request for service and related information. Given the date of this filing, this information was not available to Staff to review at the time of the evidentiary hearing in this matter. Staff has now reviewed this updated request for service, and consistent with the positions it has taken to date in this case, Staff would not oppose granting a certificate of convenience and necessity to Global for the area identified in the Dugan Lands LLLP updated request for service.
